Section 2. There will be allowed one voting membership per property ownership, regardless of the number of properties owned.

Section 3. All voting members described above may attend and have privilege of the floor at any meetings of the Association as a whole, and of making motions and voting, but have only one vote per membership per property ownership.

Section 4. For persons not meeting voting membership eligibility, a non-voting associate membership will be provided such persons with a stated and determined interest in the objectives of the Association, and which any non-voting associated membership will have been approved by the Board of Directors, and will have paid the current year's dues.
